Subject: Document Inquiry to ARRB (Italian SIFAR files)
Body: Alexander EichenerUniversitaet HeidelbergFriedrich-Ebert-Anlage 64D- 69117 HeidelbergGERMANYDear Mrs. Sullivan,with interest I have read the testimony of George Michael Evica, given March24th, 1995, before the ARRB, and which is now available on the WorldWideWeb.He there suggested that the Italian SIFAR files be consulted, as to furtheridentify the Fucile M 1938 Carcano. In the original interrogation of FBIballistics expert Frazier before the Warren Commission, the Italian answerswere purposely edited out, as you may recall.Has Mr. Evica's suggestion been followed - are the Italian SIFAR documentsnow available to researchers ?Yours sincerely,Alexander Eichenerc96@ix.urz.uni-heidelberg.de
