TO: Chief of Station, Mexico City

INFO.:

FROM: Chief, WH Division

SUBJECT: REDCOAT/LCIMPROVE/LIMUD/AECORONA

ACTION REQUIRED - REFERENCES

REFS: A. HMMA-24061

B. MEXI 0451

ACTION REQUIRED: See paras 2 and 3.

1. Reference A forwarded copies of signatures believed to be those of Viktor L. KHUKHOREV and Sergey S. KUKHARENKO and requested that the Station be advised of the results of a KURIOT test to determine if KHUKHOREV could have signed the letter from the Soviet Information Bulletin postal address to the San Diego Union and Evening Tribune. Attached is a copy of a memorandum from KURIOT setting forth the inconclusive results of the test.

2. Regarding the typewriting of the letter to San Diego, KURIOT believes that the letter was typed on a machine with a keyboard for a language other than English. Please forward representative samples of Soviet typing, including the Spanish samples from the Bulletin office mentioned in Reference B. (If possible please send two copies of each sample so that one may be retained in the AECORONA files.)

3. On AECORONA in general, when time permits please survey your stock of Soviet handwriting, typewriting, letterheads, etc., and send to KURIOT copies of samples not already forwarded. A relatively complete file of this type for Soviets in Mexico can be a significant analytical aid.
