CIA HAS NO OBJECTION TO ALEXANDER IRWIN RORKE, JR. DECLASSIFICATION AND/OR,

RENEASE OF CIA INFURMATION 6-97

IN THIS DOCUMENT. JM ReBulet to Miami dated 11/14/63.

With reference to FAA letter dated 11/4/63, concerning report that RORKE and SULLIVAN crashed in Cuba during Hurricane Flora, this information originated with CIA, Miami, who previously advised the Miami Office that this information was received from Cuba, was completely unverified, and that CIA had no way of evaluating it. (4) Classification relainer property of the control of the control

The Bureau will note that RORKE and SULLIVAN left Florida on 9/24/63 and Hurricane Flora did not hit Cuba until 10/4/63, some 11 days later.

Sources and informants advised they have different ideas what might have happened to RORKE and SULLIVAN. All sources and informants believe RORKE and SULLIVAN are dead and did not go to Cuba. They feel that if RORKE would have been capturedin Cuba the CASTRO Government would have used the incident for propaganda.

MM 639-S, FRANK FIORINI, LAUREANO BATISTA FALLA, FELIPEA VIDAL SANTIAGO and GERALD PATRICK HEMMING, all active in Cuban revolutionary activities, and friends and acquaintances of RORKE, advise they have no doubt that RORKE is dead.

OECLASSIFIED BY 5068 SUD PICE.
