Jeremy --

I have attached the new draft of the request to DOJ for the Groden subpoena for your review.

Tom made some suggestions that I incorporated into Appendix B.

I called Art Goldberg about the travel expenses check. He said that he did not know whether we needed to include a check, but that it was probably a good idea "unless there is something in our statute [JFK Act] that prevents it." I told him that I was not aware of any provisions that would prevent it. I have reviewed the rule about fees/mileage, etc. . . for depositions and would like to talk with you about whether it covers admin. subpoenas.

Also -- do you anticipate that you will complete the deposition within one day? If not, would you like to include a sentence after the date that says, "and at the same time each day thereafter until complete"?
