Mr. John McVickar
2160 Mountain Road
Stowe, VT 05672

Dear Mr. McVickar:

I am writing you on behalf of the Assassination Records Review Board, an independent Federal agency established pursuant to the President John F. Kennedy Assassination Records Collection Act, 44 U.S.C. § 2107 (Supp. V 1994). The Review Board, whose members were appointed by the President and confirmed by the Senate, is charged with the responsibility of collecting records and information related to the assassination of President Kennedy. The Review Board members and staff are required by law to possess Top Secret and SCI clearances. The Review Board is not seeking to reach any conclusions regarding the assassination, but is primarily concerned with identifying, clarifying, locating, and making available information about the assassination. I am enclosing some explanatory material about the Review Board and its mandate.

We would like very much to discuss your work experiences in Moscow from 1959-1961 with you, particularly as it pertained to the USSR residence of Lee Harvey Oswald. We have reviewed the transcripts of your testimony to the Warren Commission and to the House Select Committee on Assassinations. We believe that your knowledge of Oswald and the Moscow Embassy may assist the ARRB in our attempts to clarify the historical record in this area.

One of the members of our staff, Dr. Michelle Combs, will be calling to arrange a mutually agreeable time and place for an interview. We anticipate being in the Boston area in May and would easily be able to visit with you in Stowe if that would be most convenient for you.

Before talking with you, we would like to make certain that you would feel free to discuss fully all aspects of your work in Moscow. To the extent that you think that discussion of your work might possibly involve classified matters, we would like to resolve such concerns in a way that would provide you with whatever assurance that you need that you would not be improperly divulging classified information. In the course of our interviews with other persons, we have arranged with the appropriate State, CIA, DoD, or other officials to obtain waivers to allow persons to speak to us. Our principal liaison with the State Department is Nina Noring, IM/FPC/HDR, Room B234,

Mr. John McVickar
