Re: Supplement to Additional Information Request No. FBI-10(c)

Dear Kevin:

Paragraph (c) of our Additional Information Request No. FBI-10 requested access to the FBI Headquarters file for liaison with the National Security Agency for the years 1961-64, 1967-69, and 1975-79. Yesterday, Tim Wray of our staff reviewed material provided in response to this request. Sections 8, 9, and 10 of the pertinent file, corresponding to the years 1964-67, were not among the sections available for review. Accordingly, we are supplementing our previous request to include specifically sections 8, 9, and 10. Please make these sections available for Tim Wray to review at your earliest convenience.

Thank you for your continuing cooperation.

Sincerely yours,

David G. Marwell
Executive Director
