Re: Additional Information Request No. FBI-13 (Elizabeth Catlett Mora)

Dear Kevin:

The ARRB staff requests access to review references to Elizabeth Catlett Mora in the files of FBI Headquarters and the Mexico City Legat for the years 1959 through 1964. This request includes, but is not limited to, records in HQ file 100-395934 and MC file 100-939 from the relevant time period. In the event that records responsive to this request have already been transmitted to the JFK Collection, or have already been identified for processing under the JFK Act, please so advise.

Thank you for your continuing cooperation.

Sincerely yours,

David G. Marwell  
Executive Director
