Re: Additional Information Request No. FBI-18 (Clarence Daniel Smelley)

Dear Carol:

The ARRB staff requests access to review the entire FBI Headquarters file 72-1561 (case title, "James Riddle Hoffa; Clarence Daniel Smelley; Unknown Subjects"). We also request access to review the corresponding files from the Memphis and Birmingham field offices. This request includes any EBFs and Bulky exhibits which may contain audio recordings seized as evidence in the criminal contempt case against Mr. Smelley. In the event that records responsive to this request have already been transmitted to the JFK Collection, or have already been identified for processing under the JFK Act, please so advise.

Thank you for your continuing cooperation.

Sincerely yours,

David G. Marwell
Executive Director
