RE: Additional Information Request No. FBI-12 (Mark Lane)

Dear Carol:

The staff of the ARRB has completed its review of files provided to it in response to our request for all file references to Mark Lane or the Citizens Committee of Inquiry. We have found documents that, in the opinion of the staff, should be processed under the JFK Act. These documents are identified on the attached list. Any documents provided for review that do not appear on the attached list can now be returned to their proper place in the FBI filing system.

In the event that any other documents responsive to this request are found, please provide them to the ARRB staff for review.

As always, thank you for your cooperation.

Sincerely yours,

David G. Marwell  
Executive Director
