ASSASSINATION RECORDS REVIEW BOARD

AGENCY: Assassination Records Review Board

ACTION: Notice of Formal Determinations

SUMMARY: The Assassination Records Review Board (Review Board)

met in a closed meeting on December 12 and 13, 1995, and made

formal determinations on the release of records under the President

John F. Kennedy Assassination Records Collection Act of 1992 (JFK

Act). By issuing this notice, the Review Board complies with the

section of the JFK Act that requires the Review Board to publish the

results of its decisions on a document-by-document basis in the

Federal Register within 14 days of the date of the decision.

FOR FURTHER INFORMATION CONTACT: T. Jeremy Gunn,

General Counsel and Associate Director for Research and Analysis,

Assassination Records Review Board, Second Floor, 600 E Street, N.W.,

Washington, D.C. 20530, (202) 724-0088, fax (202) 724-0457.

SUPPLEMENTARY INFORMATION: This notice complies with the requirements of the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107.9(c)(4)(A) (1992). On December 12 and 13, 1995, the Review Board made formal determinations on records it reviewed under the JFK Act. These determinations are listed below. The assassination records are identified by the record identification number assigned in the President John F. Kennedy Assassination Records Collection database maintained by the National Archives. For each document, the number of releases of previously redacted information is noted as well as the number of sustained postponements.

Two further points of explanation are in order:

(1) Three of the records listed below (124-10058-10009, 124-10239-10385, and 124-10275-10359) were the subjects of

a prior notice of determinations (published at 60 Federal Register 62066). Since that notice, the Review Board decided to reconsider its determinations on these records. Upon reconsideration, the Review Board decided at the December 12-13, 1995 meeting to sustain one additional redaction in each record, but to postpone the opening of the records in full for five years, rather than until the year 2017, as originally determined.

(2) Copies of two of the assassination records listed below, 180-10097-10495 and 180-10087-10362, are already available to the public in unredacted form as part of the House Select Committee on Assassinations (HSCA) materials at the JFK Collection maintained by the National Archives at College Park, Maryland. The Review Board nevertheless took action with respect to these assassination records because the United States Secret Service wished to redact some of the information contained therein.
