Additional Releases

The Review Board announces that the Central Intelligence Agency, in accordance with the Review Board's standards for the release of information, will release in full the following records that previously contained postponements:

**[insert RIF numbers for 498 consent releases.]**

Additional Board Actions

On March 1, 1996, the Central Intelligence Agency provided additional evidence to the Board in support of postponements that the Review Board previously had voted to release. Upon receiving and evaluating this additional evidence, the Review Board voted to make one postpone in record number 104-10015-10398 and to provide substitute language in its place.

The Board also voted to reconsider, at a future date, postponements in the following records that were reported from prior Board meetings. From December 13, 1995 (Federal Register Notification dated December 27, 1995): 104-10015-10401. From January 24, 1996 (Federal Register Notification dated January 24, 1996: **[Noelle get insert from Bob]**).

Accordingly, these records are being withdrawn pending future Board action.

**[Phil's insert on FBI document.]**
