

December 10, 1996

The Honorable Eljay B. Bowron
Director
United States Secret Service
1800 G Street, NW
Washington, DC 20223

Dear Mr. Bowron:

I wrote to you on December 2, 1996 to notify you of formal determinations made by the Assassination Records Review Board during its meeting on November 14, 1996. Unfortunately I omitted reference to the two documents on the enclosed list.

The Board's decisions were premised on several factors including the historical interest in the documents and the absence of evidence that the release of the information would cause harm to the United States or to any individual.

You have seven days to appeal these decisions to the President. You are invited to send your representative to the Review Board to examine our copies of the documents for which determinations have been made and to discuss the determinations with the Review Board staff.

Sincerely yours,

David G. Marwell
Executive Director
