Re: Review of National Archives and Records Administration Documents Under the JFK Act

Dear Mr. Aly:

I have enclosed several documents generated by NARA for your review and recommendation under the President John F. Kennedy Assassination Records Collection Act, 44 U.S.C. § 2107 (Supp. V. 1994) ("JFK Act"). The documents refer to equities that fall within the Department of Defense's purview.

Please proceed with a review of these documents in the same manner as with others you have received from our office.

I would also like to remind you of a previous set of documents generated by the Gerald R. Ford Library sent to you under a cover letter of March 20, 1997. Please process these documents by June 1, 1997 so that the Review Board may prepare them for release.

If you should have any questions, please call me at the number listed above. Thank you for your cooperation.

Sincerely,

D. Sydney Reddy
Analyst
