

MEMORANDUM

January 25, 1996

BY FACSIMILE

To: Steve Tilley
cc: David G. Marwell

From: T. Jeremy Gunn

Subject: Marcello and Ruby Records

I noticed in *The Record* (Vol. 2 no. 3 , January 1996, p. 19) that there is a display of "Hoodlumania" at NARA Fort Worth that includes data on Marcello and Ruby. (copy attached). Should these be in the JFK Collection?
