MEMORANDUM

August 9, 1995

BY FACSIMILE

To: Steve Tilley, NARA
Att: Ramona

From: Joe Freeman, ARRB

Subject: Document Request

I will call to confirm, but I'd like to come out today (probably on the 10:00 AM shuttle) and look at the following documents:

Warren Commission Indexes to Addresses, etc. in USSS Reports (272 WC 07, 2 boxes)

Warren Commission Administrative Records, 1963-1964 (272 WC 20, 7 boxes)

Warren Commission Memorandums and Minutes (272 WC 21, 1 box)

Depending on what the material listed above yields, I may also need to look at Warren Commission Office Files of Staff Members (272 WC 44, 35 boxes), but I would wait on pulling those for now.

Thanks very much!
