

MEMORANDUM

September 5, 1995

BY FACSIMILE

To: Steve Tilley, NARA

From: Joe Freeman, ARRB

Subject: Document Request

If it's convenient for you and your staff, I'd like to come out tomorrow and scan the "referred" boxes I didn't look at last week: namely, the 4 CIA boxes and the 11-13 DOJ boxes.

In addition, Joan Zimmerman has asked me to copy some Secret Service documents for her while I'm out there. These documents are listed on a separate sheet, faxed with this memo. If you have any questions as to which documents she means, feel free to give her a call, or to let me know that you need additional information from her.

I'll call either later this afternoon or tomorrow morning to make sure it's OK to come out. Thanks!
