## MEMORANDUM

June 13, 1995

To: Steve Tilley, NARA

From: Joe Freeman, ARRB

Subject: Document Request

I'd like to look at these tomorrow, if that works for you and your staff. I expect I'll be on the 9 AM shuttle unless I hear from your office. This memo is in addition to one faxed earlier today. If you've already pulled that first batch, I can start on that when I get there tomorrow. Thanks for your help and patience!
