Dear Mr. Shinley:

Thank you for your letter of November 20, 1995 to the Review Board regarding various documents which you would like to see designated as assassination records.

A copy of your letter has been provided to the appropriate staff person for careful review. The Review Board has received thousands of suggestions regarding records which should be pursued and included in the JFK Collection. The Board and staff are attempting to process all of the information in an effective and efficient manner.

Again, thank you for writing to the Review Board. The members of the Board and staff appreciate your time and effort in preparing a detailed list of records.

Sincerely,

Thomas E. Samoluk, Esq.
Associate Director for Communications
