

MEMO

To: David, Jeremy
From: Thomas E. Samoluk
Subject: Proposed Letter to Alyea
Date: July 6, 2017

After discussion with Jeremy regarding a first draft of this letter, I made it from me (instead of Jeremy) and reworked it a little. I would like to send it, not that I anticipate any success, but I think it is important to have it in the record. Please advise me of your thoughts.
