Dear Ms. Beusse:

I received your voice mail message today with your request for copies of the five recently released documents regarding the Swiss Government.

Although we no longer provide duplicates of the documents released by the Review Board, these documents are being made available, as an exception, due to the small number.

I am glad I could assist you and would like to take this opportunity to wish you a Happy New Year, too.

Sincerely,

Eileen A. Sullivan  
Assistant Press and Public Affairs Officer
