Dear Nick:

The proof looks great!

We have a couple of new changes, and that should take care of it. I've marked them on the reader's proof, and I've also itemized the changes below.

\* *panel 2*: delete the language "The Review Board consists of the following members" as it appears under "The Review Board Members"  
(Our hope is that this deletion will create room for Anna Nelson's name to appear with the other names)

\* *panel 2/3*: delete the numbers 1-5 as they appear before the Board members' names

\* *panel 2*: make **bold** "The Honorable" as it appears before John R. Tunheim's name

\* *panel 6*: add our generic email address below our telephone number --  
arrb@arrb-jfk.gov

As always, thank you for your wonderful work!

Sincerely,

Eileen A. Sullivan
