Dear Ms. Clish:

Thank you for your postcard dated June 4, 1996.

I have enclosed a Review Board brochure (fact sheet) for you. It covers the mandate, the need for the law, and who the Review Board members are. I hope this is helpful to you.

Although no specific release date has been set for the footage, it should be available to the public through the National Archives within a few weeks.

Sincerely,

Eileen A. Sullivan
Assistant Press and Public Affairs Officer
