Mark-

Two of the things you asked about:

1. Oswald "intercept" document
AP story gives pretty good explanation
Board substitute language\
Document redacted page
2. Echevarria document
Reuters story gives pretty good explanation
Document with redacted opened
HSCA Report excerpt on Echevarria
3. I do not have additional information on INS file yet. I have asked Jeremy Gunn again.
4. Alyea/WFAA film status is still up in the air. We have to resolve the matter.
