COMMENTS:

Jim:

We are in the process of developing our witness list for the Los Angeles hearing on September 17th. We are interested in knowing what testimony the Board would hear from you, if you were one of the witnesses. It would help us if you could provide me with a brief outline of what you would tell the Board at the hearing. As I am sure you are aware, we want to have a hearing with balance and helpful information to the Board.

Thanks for your interest. I look forward to hearing from you.

Tom
