Dear Ms. Jacobus:

Thank you for your letter dated June 17, 1996.

*The Review Board has received a large volume of information regarding the assassination from the public. It is not the Board's responsibility under the law to answer the questions that remain concerning the assassination and its aftermath. However, it is our duty to do our best to find all of the remaining assassination records and secure them at the National Archives so that the public has full access to them.*

Again, thank you for writing. I have taken the liberty of adding your name to our mailing list so that you will be kept apprised of the Review Board's activities.

Sincerely,

Thomas E. Samoluk, Esq.  
Associate Director for Communications
