Subject: Your Request to Videotape the Board Hearing

COMMENTS:

This message is in response to your fax message dated September 9, 1996 regarding videotaping the Board's public hearing.

First, I do not anticipate any problems with your placement of a camera in the hearing room as long as you abide by our rules on the placement of the camera and sign in upon your arrival.

Second, please fax me answers to the following questions:

1. What is the San Francisco TV station that you "work with?"
2. In what capacity? Are you employed/paid by the station?
3. Will you be accompanied by any other personnel from the TV station?

Third, please fax me a copy of your credentials that affiliate you with the TV station or some form of verification that does the same.

Thank you.
