Dear Ms. Wirt:

Per our telephone conversation, I have enclosed copies of our press releases to date. You will find the numbers of documents released, as well as a brief description highlighting the content of those records. I hope this provides helpful guidance to you as you contact NARA for copies of the documents.

Again, the number for the JFK Assassination Records Collection at the National Archives is 301-713-6620.

Sincerely,

Eileen A. Sullivan  
Assistant Press and Public Affairs Officer
