MEMORANDUM

To: Mr. Thomas Boggs
Attention: The Honorable Lindy Boggs

From: Thomas E. Samoluk

Subject: Follow-up To Our Telephone Conversation --PART II

Date: July 18, 2017

Mrs. Boggs:

After I sent my first fax, it was brought to my attention by an historian who contacted us regarding the reference to a diary, that it may have been in the form of a tape recorded diary. The suggestion was made that Congressman Boggs may have made tape recorded entries to chronicle his activities.

Again, thank you for your assistance. I look forward to hearing from you.

Tom
