RE: Personal Papers of Dallas Police Captain J. W. Fritz For Inclusion in the JFK Collection

Dear Mr. Tilley:

Please accept the enclosed personal papers of the late Dallas Police Captain J. W. Fritz for inclusion in The President John F. Kennedy Assassination Records Collection (JFK Collection). These records were recently acquired by the Review Board during the course of business as part of the Board's effort to make the record of the assassination of President Kennedy as complete as possible for the American public.

The enclosed records of Captain Fritz are from the Review Board's record series 5.34 (Fritz). They are being provided to you at this time, in advance of the rest of the Review Board's records which will also become part of the JFK Collection, because of the anticipated public interest in these materials.

Thank you for your time and attention to this matter. Please do not hesitate to contact me if you have any questions or require additional information.

Sincerely,

Thomas E. Samoluk  
Deputy Director
