

QUESTIONS SUBMITTED BY SENATOR NIGHTHORSE CAMPBELL

REVIEW BOARD REQUEST FOR ONE ADDITIONAL YEAR OF FUNDING

Question. In FY 1997 the Review Board received \$2.15 million for operations and is requesting \$1.6 million for FY 1998. Please explain the decrease in costs.

Answer. The Review Board has a budget carryover of \$500,000 in no-year funds from its first year (FY 1995), a sum that would fund a full quarter year of continued operation. The Board would consequently require \$1.6 million of additional funds to operate for one final year in FY 1998.

Question. Please provide the Subcommittee detailed budget justification for the Review Board for FY 1998.

Answer. Please see the attached budget justification for the Review Board for FY 1998.

Question. Will the Review Board be in operation throughout the entire Fiscal Year 1998, or will it only need to operate through part of the year?

Answer. After a careful analysis, the Review Board has concluded that it will need to be in operation throughout the entire Fiscal Year 1998 to ensure that: (a) the remaining assassination records are reviewed and publicly released; (b) the compliance of federal agencies is documented; and (c) a complete final report is submitted to the Congress.

Question. Does your budget request for FY 1998 include costs associated with closing down the Review Board? If so, please outline them for the Subcommittee.

Answer. Yes. The total estimated cost of shutting down is \$100,000. This figure includes: (a) severance pay; (b) cash-out of any unused annual leave; and (c) other costs such as the purchase of archival boxes for the storage of records at the National Archives and Records Administration, moving expenses for records, and moving expenses for furniture and equipment. The Review Board anticipates full-scale operation through July 31, 1998. The decrease in staffing for August and September 1998 will offset the costs associated with closing down the agency.

Question. What is your current FTE level and will that level be maintained throughout FY 1998? If not, please provide details on the staffing decreases which will occur as the Review Board completes its work.

Answer. The Review Board's current FTE level is 31. The Review Board plans full-scale operation through July 31, 1998. It is anticipated that eight staff members will be released in August 1998 and an additional eight staff members in September 1998.

Question. Will the Review Board be able to finish its work with the one-year extension for operation?

Answer. Yes. The additional year will permit the Review Board to finish its task by completing several major areas of work. These are identifiable projects that are critical to ensuring

that the President John F. Kennedy Assassination Records Collection is as complete as possible.
