COMMENTS:

Kermit:

I am faxing you a draft news release on the Clay Shaw papers. NARA has processed them and they are ready to go to College Park. We thought we would try to get some press attention on the release. The tentative plan is to do this news release on Thursday, September 18 (subject to us hearing back from Steve Tilley that the timing is okay with him).

We want to include a quote from you in the news release. Please review the draft quote and have Barry advise Eileen what you would like to use as your quote. Of course, feel free to edit what we drafted.

In addition, for your background, we are faxing excerpts from the diary that Shaw kept after his arrest. They are referred to in the news release.

I hope your trip was safe, successful and enjoyable. I'll see you on September 17.

Thanks.

Tom
