COMMENTS:

Maura:

Per our conversation today, I have attached the Review Board's fact sheet. As I mentioned, the Board will be holding a regular, closed meeting on April 13, 1998, in which it will review and vote on classified documents that relate to the assassination of President Kennedy.

The Board will then meet on April 14, 1998 with experts in the field of declassification of government records. This meeting is open to observers, however I still do not know if there will be objections to cameras. I will let you know.

Let me know if you have any questions.

Eileen
