CUBAN MATTERS - COUNTERINTELLIGENCE PROGRAM  
IS - CUBA  
Buded 9/11/61

Re: Rep of SA John R. Wineberg dated 8/21/61 entitled  
"Miguel Salvador Morera, aka, IS - Cuba, RA - Cuba." Infor-  
mation appearing on pages four and five of referenced report  
shows PH 563-S possesses information indicating Morera feels  
one of the members attending a meeting of the July 26th  
Movement in Philadelphia on 8/5/61 was not fully trusted.  
Referenced report reveals there were only seven persons  
present at that meeting, including Morera and the informant.

Determine from PH 563-S and any other sources  
available to your office identity of all July 26th members  
in attendance at the mentioned meeting. Fully identify  
individual believed to be untrustworthy by Morera. In the  
event you have no pending investigation regarding that  
individual, institute same immediately and fully determine  
his background and degree of activity in July 26th Movement  
in Philadelphia.

The element of distrust in one of his followers  
evidenced by the new leader of the July 26th Movement in  
Philadelphia provides an excellent opportunity to create  
disruption and dissension within the ranks of the pro-Cuban  
organizations in Philadelphia. An aggressive counterintelli-  
gence program directed against the weak point evidenced by  
Morera's distrust should be immediately instituted.

Sulet by 9/11/61 incorporating identity of  
individual suspected by Morera and positive recommendations  
for action by your office to seize this opportunity for  
institution of a counterintelligence program against the  
pro-Cuban element in Philadelphia. Take no action to implement  
such a program prior to Bureau authority for same.

Extra copies of this letter are being furnished  
for your file on July 26th Movement in Philadelphia and on  
Miguel Salvador Morera:
