Both returned separately to same hotel on various subsequent occasions. Examination PAA manifests reflects subject arrived Miami, 3/5/56 from Ciudad Trujillo on same flight with MIGUEL A. HERRERA, believed to be identical with Dominican Consul, Miami. At 9:00 AM, 3/13/56, subject's son departed Miami for Ciudad Trujillo. At 11:30 AM, same date, subject also departed Miami for Ciudad Trujillo on same flight with ROBERT LEWIS, Washington attorney. On 3/22 subject returned to Miami from Ciudad Trujillo on same flight with JOHN J. FRANK, believed identical to JOHN JOSEPH FRANK, Washington attorney who allegedly assisted GERALD LESTER MURPHY in renting plane at Linden, N. J. in 3/56. Investigation reflects DE MOYA has travelled frequently between Miami and Ciudad Trujillo during past few months.

DETAILS: AT MIAMI, FLORIDAI. VISITS OF SUBJECT AND HIS SON TO BISCAVNE TERRACE
HOTEL, MIAMI

It is to be recalled that previous investigation in this case has disclosed that MANUEL DE MOYA ALONSO while staying at the Miami Springs Villas, Miami Springs reportedly rented a limousine service with chauffeur and that E.H. KIRKHAM, Cadillac Limousine Service, Yellow Cab Company, was believed to be the one who arranged for such service.

On April 8, 1957, Mr. E. H. KIRKHAM, Starter at Miami International Airport for the Cadillac Limousine Service, Yellow Cab Company, advised that he possessed no recollection of DE MOYA nor of persons known to be affiliated with DE MOYA.

Through the cooperation of Mr. JACK HAYES, Manager, Cadillac Limousine Service, Yellow Cab Company, on April 8, 1957, the registration book of service during the period March 1, 1956 through April 5, 1957, was examined but there was no record of any limousine service having been rented to DE MOYA during this period.

Mr. HAYES contacted each of his five limousine drivers who service the airport area and ascertained that only one, Mr. DAVID BERKEN, possessed any recollection of the name DE MOYA.

MM 100-1701

On April 16, 1957, Mr. BERKEN examined photographs of DE MOYA and persons known to be associated with DE MOYA. He recalled that in about the year 1955, he had picked up DE MOYA at TRUJILLO's yacht, Port of Miami, and had taken him to the Biscayne Terrace Hotel. Mr. BERKEN said that he was able to recall this incident because of its relationship to the TRUJILLO yacht and because DE MOYA and the other Dominicans were big tippers. Mr. BERKEN said that at no time, so far as he could recall during the years 1956 and 1957, had he ever taken DE MOYA to or from the Miami Springs Villas, nor to or from any airports in the Miami area or elsewhere. He said that to the best of his knowledge, the only time that he had ever taken DE MOYA in his limousine was on the occasion above described.

On April 24, 25 and 26, 1957, Mr. RICHARD WILSON, who was the Assistant Manager of the Biscayne Terrace, but who is no longer in the employ of that hotel, checked his records and furnished Verifax copies of hotel registration cards and ledger sheets relating to MANUEL DE MOYA and his son, who is carried on hotel records as MANUEL DE MOYA, JR. Mr. WILSON was unable to locate the telephone toll slips which are furnished the hotel at the end of each monthly period for billing purposes, but he was able to ascertain the long distance numbers called from examination of the "Long Distance Traffic Sheets" maintained by the hotel telephone operator and from the "Long Distance Telephone Call" slips which are maintained by the hotel Accounting Department on the basis of information furnished to that department by the hotel telephone operator.

On May 9 and 13, 1957, Miami Informant T-1, who has furnished reliable information in the past, furnished information obtained from microfilm concerning long distance calls placed by DE MOYA and his son while staying at the Biscayne Terrace Hotel.

The following information was obtained from Mr. WILSON and from T-1:

APERTURE CARD REPRODUCTIONS

MM 100-7621

(1) Registration card No. 86061 reflects that MANUEL DE MOYA, ARROYO HONDO, Trujillo City, Dominican Republic, registered as a party of 1 in Room 801-2 at 1:30 PM on March 5, 1956 and checked out at 1:54 PM on ~~March 7, 1956~~. (Mr. WILSON stated that the month Sep. is an obvious error as the corresponding hotel ledger reflects that DE MOYA checked out on March 7, 1956).

The corresponding hotel ledger No. 86061 reflects that on March 5, DE MOYA placed a long distance telephone call for which he was charged \$2.40. On March 6, he placed two long distance calls costing \$3.05 and \$2.10, respectively. He also placed three local calls on March 5 and March 6, and one on March 7.

The "Long Distance Traffic Sheet" for March 5, reflected that one long distance call was placed from Room 801-2 to New York City, Butterfield 89180. On March 6, a call was placed to New Orleans, AM 4704 and one call on March 6, to New York City PL 51000.

On May 9, 1957, T-1 furnished the following information concerning the above long distance calls.

March 5, 1956 call by "M. Moyer", Room 801, to New York City Butterfield 8-9180, to Mrs. WARREN. Not there so took station."

March 6, 1956 Room 801, HARRERA (probably identical to MIGUEL A. HERRERA, Dominican Consul in Miami), New Orleans AM 4704, to EDUARDO MORALES (the New Orleans office advised on May 2, 1957 that Amherst 4704, New Orleans, is listed to EDUARDO A. MORALES, 603 French Street, New Orleans, Louisiana and that Mr. MORALES is the Consul General of the Dominican Republic in New Orleans).

March 6, 1956 "DE MOYA", Room 802, to New York Manhattan Hotel to "Mrs. BRANDY RYAN" (?), ROBBY RYAN, or something similar).

(~~It is~~ to be noted that he stayed in this room only one hour and five minutes).

The hotel ledger No. 29196, corresponding to the above registration, reflects that on March 13, 1956 DE MOYA, JR. sent one telegram, for which he was charged \$2.30, placed two long distance calls, each at a cost of \$2.65, made three local calls and had a restaurant charge of \$2.35. (Mr. WILSON was of the opinion that the restaurant charge of \$2.35 was for breakfast room service, in view of the amount involved).

Mr. WILSON produced a "Long Distance Traffic Sheet" which reflected that on March 13, 1956 two calls were placed by DE MOYA, Room 604 to Washington, D. C.: LU 25568 and ST 43100.

On May 9, 1957, T-1 reported that his records reflect that on March 13, 1956, DE MOYA, Room 604, Biscayne Terrace Hotel, placed a long distance call to Washington, D. C., ST 34100 to JOE ROSENBAUM. This call was placed at 7:11 AM for one minute at a cost of \$2.40.

T-1 said that on March 13, 1956, DE MOYA, Room 604, placed a long distance telephone call to Washington, D. C. at 7:16 AM for three minutes at a cost of \$2.40 to TH (could be LU) 2-5568 to DE PENA.

Mr. WILSON produced a "Long Distance Telephone Call Slip" No. 10223, which reflected that "DE MOYA", Room 401, called Ciudad Trujillo 8325 on June 9, 1956 at a total cost of \$6.60.

APERTURE

MM 1-1-71

On May 12, 1957, T-1 advised that on November 10, 1956, DE MOYA, Room 704, placed another call to PL 51000, New York City, to Mrs. ROSSIGNOL, for two minutes at 11:00 PM at a cost of \$2.15.

(j) Registration card No. 8851, reflects that MANUEL DE MOYA, JR., New Orleans, Louisiana, registered in Room 501, as a party of one at 1:15 AM on April 18, 1957 and checked out at 8:03 AM, April 22, 1957.

Corresponding ledger sheet No. 8851 reflects his address as Ciudad Trujillo, Dominican Republic, and his bill was charged to MANUEL DE MOYA. He placed six local telephone calls on April 20 and one on April 21, 1957. There were no long distance telephone charges.

Mr. WILSON advised that the Biscayne Terrace Hotel does not keep a record of the telephone calls made locally.

On April 25, 1957, Miss RUTH SEIDEL, front office cashier, Biscayne Terrace Hotel, stated that she had observed MANUEL DE MOYA, JR. while he was at the hotel in April, 1957. She described him as being a good looking young man in his early 20's, about 6' tall, 190 lbs., with black hair.

On April 25, 1957, Miami Informant T-2, who has furnished reliable information in the past, advised that his office does not keep a record of most telegrams sent out of Miami and that telegrams sent from the Western Union Deskfax located in hotels such as the Biscayne Terrace are destroyed after a period of six months.

On the same day, Mr. WILSON advised that the Biscayne Terrace Hotel maintains no record of telegrams sent by guests from the hotel Deskfax.

EE 1-1-1

In connection with MANUEL DE MOYA (JR.) who stayed at the Biscayne Terrace Hotel on three occasions, as above indicated, it is to be recalled that on February 23, 1957, Inspector KENNETH PRICE, Immigration and Naturalization Service (INS), Miami, advised that MANUEL ANTONIO DE MOYA y SOLER, son of the subject, had just arrived on February 28, 1957 in Miami on Pan American World Airways (PAA) Flight 434 from Ciudad Trujillo, travelling on an A-1 visa. Inspector PRICE said that young DE MOYA disclosed that he was going to New Orleans, Louisiana to attend school there.

The New York Office furnished information on February 23, 1957, to the effect that subject, born December 7, 1906 in the Dominican Republic, is married to ANNA MARIA SOLER DE MOYA and that he has a son, MANUEL DE MOYA, who was born February 19, 1939.

With regard to ROSENBAUM, who made a telephone call on October 31, 1956, from Room 602 or 603, Biscayne Terrace Hotel, as indicated above, it appears that this person may be identical to JOSEPH HIRSCH ROSENBAUM, attorney, 824 Connecticut Avenue, Northwest, Washington, D. C., who is reportedly a close associate of DE MOYA. The Washington Field Office has previously reported in this case that the Washington Metropolitan Telephone Directory for July, 1956, indicates that J. H. ROSENBAUM, lawyer, 824 Connecticut Avenue, Northwest, has telephone STerling 3-4100. On December 19, 1951, SA HAROLD H. HAEI determined through records of Criminal Section, Clerk of the Court, U. S. District Court, Washington, D. C., Docket No. 1722-51 that ROSENBAUM was indicted on 6 counts, filed December 19, 1951, charging him with perjury in violation Title 22, Section 2501, District of Columbia, Code 1940 Edition. The perjury was alleged to have been committed by ROSENBAUM while he was testifying under oath before the Sub Committee of the Committee of Banking and Currency, United States Senate. This Committee was inquiring into and conducting a study of the operations of the Reconstruction Finance Corporation. On November 20,

MH 100-10106

1953 SA ROBERT LEE HABLES ascertained from the office of FRANK CURININDHAM, U. S. Department of Justice, that the case was tried in U. S. District Court, Washington, D. C. on November 12, 1953 and the the jury returned a verdict of "acquittal" on all counts of the indictment.

Miami Informant T-3, who has furnished reliable information in the past, has advised that ROSENBAUM has been in contact with the Dominican Embassy many times since November 1, 1956. T-3 said that ROSENBAUM is apparently a close associate of MANUEL DE MOYA ALONSO and that ROSENBAUM knows more concerning the travels of DE MOYA and his whereabouts at any given time than the members of the staff of the Dominican Embassy in Washington, D. C. T-3 said that it is apparent to him that DE MOYA uses the office of ROSENBAUM for his base of operations while in Washington, D. C.

II. TRAVEL IN FEBRUARY AND MARCH, 1956.

On May 14 and 15, 1957, SAs ROBERT E. SUNKEL, CHARLES W. EDMISTON and GEORGE E. DAVIS, JR. examined manifests of PAA travel to and from Ciudad Trujillo, Dominican Republic and Miami for the months of February and March, 1956. These records were made available for examination by Mrs. MYRTLE KELLY, Building 1423, PAA, Central File Room, Accounting Department, Miami International Airport.

The following pertinent travel information was noted:

Date	Flight	From	To	Passenger
2/3/56	453	Miami	Ciudad Trujillo, DR	JOHN J. FRANK
2/23/56	434	Ciudad Trujillo, DR	Miami	ARTURO R. ESPAILLAT

3/31/56	431	"	"	EDUARDO A. MORALES

The above manifests contained no other names of persons allegedly connected with this investigation.

It is believed that MIGUEL A. HERRERA, /as reflected above, is identical to the person of the same name who is the Dominican Consul in Miami.

NM 100-7021

It is believed that ROBERT LEWIS is the Washington attorney who has been previously reported in the MANUEL DE MOYA ALONSO case as an associate of DE MOYA.

It is believed that EDUARDO A. MORALES is identical to the Dominican Consul in New Orleans.

It is to be noted that on March 13, 1956, MANUEL DE MOYA ALONSO departed at 11:30 AM from Miami on Flight 435; and that MANUEL DE MOYA departed at 9:00 AM from Miami on Flight 431. The latter is believed to be MANUEL DE MOYA (JR.) who checked out of the Biscayne Terrace Hotel, Miami, at 7:32 AM on March 13, 1956, after having been there only one hour and five minutes, as previously reported under Section I.

With regard to GERALD MURPHY, mentioned in the above travel, it appears that he is identical to GERALD LESTER MURPHY, an American citizen who was formerly a pilot for Compania Dominicana de Aviacion (CDA), who allegedly disappeared in Ciudad Trujillo on December 3, 1956 and who is alleged to have flown JESUS DE GALINDEZ, an anti-TRUJILLO professor of Columbia University from New York City to the Dominican Republic on March 13, 1956.

Investigation reflects that MURPHY rented a Twin Beechcraft plane which was at the Tamiami Airport, Miami, on the early morning of March 13, 1956, and that later, between approximately 6:00 AM and 7:00 AM, on the same date, was serviced at Lantana Airport near Miami. It is alleged that MURPHY flew from Lantana to Montecristi, Dominican Republic on the same date. Previous investigation has shown that MURPHY returned to Miami in his plane later on the day of March 13, 1956. It is to be noted that the Tamiami Airport is approximately 28-30 miles from the Biscayne Terrace Hotel where MANUEL DE MOYA (JR.) checked in at 6:27 AM on March 13, 1956, as reported in Section I.

MM 100-7021

With regard to JOHN J. FRANK, listed in the above travel, it appears that he is identical to JOHN JOSEPH FRANK, a Washington, D. C. attorney, who has been identified as identical to JOSEPH MOYA by HENRI LEMAY-FRENCH who assisted MURPHY in preparing a rented plane for a long distance flight. FRENCH alleged that FRANK assisted MURPHY in the renting of this plane at Linden, New Jersey. FRANK was indicted by a Federal Grand Jury, Washington, D. C. on May 13, 1957 on four counts for violating the Foreign Agents Registration Act in acting as an unregistered Agent of TRUJILLO and the Dominican Republic.

With regard to ARTURO R. ESPAILLAT, mentioned in the above travel, it appears that he is identical to the Dominican Consul General in New York City who is alleged to have been connected with the Dominican Intelligence Service and who was allegedly appointed by TRUJILLO as Consul General to the Dominican Republic in New York City following adverse publicity received by the Dominican Republic as a result of the DE GALINDEZ case.

With regard to ROBERT LEWIS, mentioned in the above travel, JOHN JOSEPH FRANK has advised that a BOB LEWIS, who is connected with JOSEPH ROSENBAUM, acts primarily as a pimp for DE MOYA when DE MOYA is in Washington, D. C. The Washington Field Office has advised that ROBERT LEWIS is an employee of the law firm of GOODWIN, ROSENBAUM, MEACHAM & WHITE, 824 Connecticut Avenue, Northwest, Washington, D. C. It is to be noted that ROBERT LEWIS was on the same flight with DE MOYA when he departed Miami on March 13, 1956 at 11:30 AM for Ciudad Trujillo.

While examining the above-described manifests, it was also noted that JESUS MARIA TRONCOSO returned from Ciudad Trujillo to Miami on March 14, 1956 on PAA Flight 436.

TRONCOSO is the Dominican Secretary of State of Development.

APERTURE CARD REPRODUCTIONS

MM 100-7621

It was also noted that WILLIAM L. PAWLEY, JR., travelled from Miami to Ciudad Trujillo on March 14, 1956 via PAA Flight 431 which departed Miami at 9:00 AM. Mr. PAWLEY is a well known Miami businessman and former diplomat who is reportedly an advisor to Generalissimo RAPAEL/TRUJILLO.

It was also noted that PORFINO BARRIOSA, well known Dominican playboy and diplomat, was on PAA Flight 434, which returned to Miami from Ciudad Trujillo on March 19, 1956.

III. CURRENT TRAVEL
