MEMORANDUM FOR THE RECORD

SUBJECT: Meeting With WUSLAB/1 on 27 March 1970

- 1. Security: This meeting took place in WUSLAB/1's home. The door was answered by his daughter, who said that her father was expecting me. She helped him come downstairs. We chatted for a time and then went upstairs where I orally went over about one-half of a PCQ form on Jose Raul Viera Linares. WUSLAB/1 gave very good answers to the questions. After an hour or so of the questions he was becoming tired, so I broke it off.
- 2. Plans: WUSLAB/l will be examined again by the doctor at Johns Hopkins on l April. At that time it is expected that a prognosis on his recovery and return to work will be made. I told WUSLAB/l that I would be on leave until 8 April, but that I would give him a phone call after l April to see what the doctor has to say.
- 3. I asked him to call Roberto Garcia of the Brazilian Embassy when he is able to do so in order to find out what he has been doing.
- 4. Administrative: WUSLAB/l was given his salary for March 1970. Because of his medical condition he deferred signing a receipt.
