Review Board
600 E Street, NW

Dear David:

Attached is a memorandum to Chairman Tunheim from the Deputy Director for Operations, regarding the need to protect the locations of specific stations. The memorandum responds to your suggestion that a statement from a senior Agency official would be helpful to the ARRB in its review of documents. (U)

The memorandum distinguishes between stations that the Agency is willing to acknowledge for specific dates, and others that are considered too sensitive to divulge for even a brief period. As soon as we obtain information on other stations, this will also be forwarded to you for the Board's consideration. (U)

The memorandum is intended to complement information provided to the Board in earlier discussions on the subject of the sensitivity of station locations. We welcome the opportunity to discuss this and other issues with the Board and your staff. (U)

Sincerely,

John F. Pereira
