Subject: CIC Soft files:

1. Warren Commission/Oswald
2. Documents Yuri Ivanovich NOSENKO/Oswald

The attached files were located in CIC. They are soft (or working) files containing information on Nosenko, Warren Commission and Oswald. It is not clear if the files date from the Warren Commission period, or were created in 1975/76 (latest date of documents) in response to a request or investigation.

Most of the documents are in the sequestered collection (OGC folders). The other documents may be in the Norsenko material put aside for discussion with the ARRB or in the Microfilm part of the sequestered material (the Microfilm is not indexed document by document).

A handwritten signature in black ink, appearing to be "Barry", with a long horizontal line extending to the right from the end of the signature.
