Memo for the Record

Telephone Conversation with AMWHIP/1 on 18 August 1965

1. On 18 August I talked with AMWHIP/1 on the telephone. He was in his New York office and said that he was very busy. He also was very pleased with the success of his exhibit at a jewelry show earlier this month in New York.
2. A/1 said he now plans to leave for Europe about 10 September and to be there for four to six weeks on business.
3. He agreed that A/1 should come to Washington the afternoon or evening of 26 August and plan to remain for about twenty-four hours. This timing is to be confirmed by us on 25 August. (We plan to FLUTTER A/1 ~~on~~ ~~on~~ 27 August and subsequently introduce him to Tom Hazlett, if nothing arises in the FLUTTER to argue against this course.)
4. A/1 indicated that he had no significant news of or from the AMELASH crew.
5. A/1 expressed concern over the failure of his two aged female relatives now in Madrid attempting to get visas to the U.S. to join the A/1 ménage. The mother of A/1 is most upset over the delay. A/1 was informed that the root of the problem is probably the Spanish passports held by the ladies and that we are continuing our efforts to see if any way can be found to get around prolonged delays for issuance of visas for those holding Spanish passports.
