Miami Coyote
Collared Eastern Bobolink

197

[Redacted Box]

The collared eastern bobolink is a very common species in the southern part of the state. It is a small, brown and white bird with a distinctive white collar around its neck. The bird is typically found in open fields and meadows, and is known for its melodious song. It is a migratory species, wintering in the southern United States and Central America. The collared eastern bobolink is a common sight in the southern part of the state, particularly in the areas around Miami.

Miami report
alleged Castro bombing of Miami

Case 37-9 297 of 27 Dec 1964 report passed to FBI by field
MIAMI on 12/22/64. Alleging source of Kennedy assassination
in Cuba by Cuban govt & others, among them Salvador,
Ramon B. Lopez, Fernandez, Tello and Robert Mateo. He
says source has been being checked. Source was 11/18/64
day - who had supplied most of the reporting. Name
on file but report is still somewhat in doubt. Lead
SAA/DIA suggest, under the statement. He suggests
be a high Cuban govt official but no identity for the
8, cannot identify, provided by a workman, who takes
in mind under - under told our source. He is from the
land at least. Source will not identify his source. He
source has report produced several years ago, that had
person under - believed not false but because he was unable
to get info properly.

~~4667-1265 Apr 1964 from lead forwarded a duplicate copy
of a report written by source regarding page 5, Jan 1962 to
the general of all matters in which the cell leader
Miami source debate told all agents that copy must
should for a report on party. "We need not prove
anything over the politics of Vice Kennedy because we
know, according to present location, that he will die
within the present year, etc"~~
