REF: **MEMA-22129**

1. Subject was one of 16 students at a special two week **ENDOMORPH** training school, which was a prerequisite for an **ODEVY** National Academy training course. During his **ENDOMORPH** training Identity A appeared to be familiar with police routine, was quiet, and handled himself in a professional manner at all times during this brief period. Although a more thorough assessment might be obtained from **ODEVY**, requests by **KUBARK** for such assessments from **ODEVY** are rare and would exhibit undue interest in Subject. Therefore, **ODEVY** comments are not being requested.

2. If the Station still feels that it would like to have an introduction to Subject, Headquarters will be glad to approach the **ENDOMORPH** trainers for letters of entree to Subject.
