CASCO/DYDONIC/UNRUSSLE - FBCROD use of UNRUSSLE/2

Paris @ RUIZ

REFERENCES: MEM-60174, 4 October 1962

ACTION: See Below

1. UNRUSSLE/2 is and has been actively and profitably engaged in various Station PERUMEN activities since early 1962. Consequently, the Station would prefer that FBCROD not engage UNRUSSLE/2 in any activities which would detract from his current operational role with the Paris Station. As FBCROD is probably aware, UNRUSSLE/2 is a politically ambitious person, involved in a series of local activities, and probably interested in expanding his PERUMEN role throughout Europe. He may have found the FBCROD offer tempting.

2. To date, he has not mentioned to the Paris Station that he has received a letter from FBCROD. At various times he has mentioned his past acquaintance with FBCROD, particularly in connection with his trip to Helsinki. The Station has informed UNRUSSLE/2 that it was not involved in FBCROD's activities in Germany.
