A. OPERATIONAL HIGHLIGHTS

1. The AMBUD program for the handling and disposition of residual Brigade matters pertaining to dependent benefits and medical attention continued during the reporting period. All major developments were reported to Headquarters as described in the following paragraphs.

2. WH Division consideration of a proposal that would recommend transfer of the handling of AMBUD dependent benefits to MUTUAL was described in DIRECTOR 47219, 29 October 1966, and DIRECTOR 59411, 13 December 1966.

3. Following a review at Headquarters of the 144 dependent payment cases reported by UFGA-25261, 3 June 1966 JMWAVE was directed in UFGW-6306, 8 December 1966 to adjust the payments in 25 cases effective with the January 1967 payment. In JMWAVE-4587 the Station replied to UFGW-6306 with a recommendation to lower the pay scale for dependent payments. The Headquarters response in DIRECTOR 60211 stated that payments would continue to be made in accordance with the existing scale. The adjustments of payments were effected with the 31 December 1966 mailing of payments by AMTIKI/1 and which included letters, prepared by the case officer, of explanation for the adjustments being made.

4. Review of the dependent cases by Headquarters further resulted in Headquarters request of JMWAVE for the acquisition of additional data concerning dependents involved in 42 of the cases. By the end of the reporting period the data requested for 32 cases had been obtained and forwarded to Headquarters under UFGA-26584, 8 December 1966; UFGA-26626, 15 December 1966; and UFGA-26646, 20 December 1966. Of the remaining ten cases, four reports are currently being pouched and follow-up action is to be taken for disposition of the remaining six cases.

5. During the reporting period the AMBUD case officer held 11 operational meetings with AMBUD-3 who continues to handle medical support for the remaining medical dependency cases. The death of medical dependent Rigoberto PEREZ Cruz (201-291762) was reported by UFGA-26186, 20 October 1966, and UFGA-26283, 28 October 1966. The termination of benefit payments to Rolando POZO Greer (201-292760), one of the remaining five medical support cases, will be effective with the January 1967 payment. The action is based upon recommendation by the physician that POZO has improved to a point that he should obtain employment and become self-supporting.

#### B. ADMINISTRATION

6. The payment of benefits continues in accordance with Headquarters direction. Expenses incurred during the reporting period are tabulated as follows:

	<u>OCTOBER</u> <u>(1966)</u>	<u>NOVEMBER</u> <u>(1966)</u>	<u>DECEMBER</u> <u>(1966)</u>	<u>Total</u>

C. PROBLEMS

7. It is anticipated that certain of the 25 dependent cases for which payment was adjusted during the reporting period will contest the actions. JMWAVE handling of such cases would be on a case-by-case basis in accordance with Headquarters policy.

D. PLANS FOR THE NEXT QUARTER

8. It is expected that payment of dependent benefits and medical expenses for Brigade members will continue in accordance with Headquarters direction. There is the possibility that responsibility for the administration of the AMBUD dependent benefit program would be transferred to WUMUTUAL.
