05, 06 Collect ID call from [] to [CHARLES & []]. He comments that he is working for [ELIZABETH] and 06 [] asks if it is the same job. He says it is--same stuff--but that work would run out pretty soon, that he would thereafter work a little while "at a printer's..." 06 [CHARLES] says they got that info. by letter and asks [] 06 how about his coming here for Christmas. He says he still does not know what is going to happen, adding that he is "still hung up on [CHLOE] 06 that he is calling from the 06 [] (JEAN) and children). He mentions having talked with [DENNIS] several times recently. [CS] says they just heard from [DENNIS] that he had won "a second prize in poetry translation," for which he received twenty dollars. 05 [CS] inquires with regard to the "guy you're consulting... is he any help?" [] 06 comments that it helps "off and on" and [BS] 06 asks if he's sticking with it... "Your therapy." He says he is. She urges him to give therapy a chance. He says it has helped some, adding that he had cried in two out of the four sessions; that he thinks the guy is great; that he was just sort of lonesome for [CHLOE]; 06 that analyst feels that "I have kind of dammed up and blocked up a lot of emotion which was giving me other kinds of mental problems," that he has helped some; that if he does not come for Christmas, he will probably come down around New Year's or shortly thereafter. 05 [] says [DENNIS] 06 is expected to arrive here around 16th December. 06 [] says he has had some "down periods" and some "up periods." [BS] 06 asks if he is able to function and he replies "Off and on," that at times he feels frustrated.
