Our source states that the initiative in this contact appears to have come from the Foundation and the purpose of it seems to be to persuade GARRISON to write an article about the late President Kennedy's assassination which presumably the Foundation could use in some way.</p> <p>George JONES, Jnr., Dept. of Philosophy, Gustavus Adolphus College, St. Peter, Minnesota</p> <p>A secret and reliable source has reported that George JONES has been in touch with the Bertrand Russell Peace Foundation. Ralph McDANIEL, 2770 Madison No. 3, Memphis, Tennessee
A secret and reliable source has reported that McDANIEL is seeking literature from the Bertrand Russell Peace Foundation.

J. B. NEILANDS, 185 Hill Road, Berkeley, California

You will wish to know that a secret and reliable source has reported that J. B. NEILANDS has been in touch with the Bertrand Russell Peace Foundation and has shown a particular interest in the Tokyo Tribunal. Our source says that on occasions NEILANDS has shown an interest in arranging a similar tribunal in the United States and has talked of persons there whom he considers sufficiently prominent to be able to assist him in this. He has mentioned a person named SCHURMANN, a professor of Political Science at San Francisco State College named Marshall WINDHILLER, and Orville SCHELL, a journalist.

R. STARK, 1275 45th Ave., San Francisco, California

A secret and reliable source has reported that STARK has been in touch with the Bertrand Russell Peace Foundation. The nature of his contact is uncertain but it is likely that STARK is already active in anti-Vietnam war activities in the United States.

Karl H. STELL, 2809 Thurman Ave., W. Hyattsville, Maryland, 20783

A secret and reliable source has reported that Karl H. STELL has been in touch with the Bertrand Russell Peace Foundation with a view to participating in its activities in the United States. STELL is a former Naval officer who retired, or was retired, in 1959 as a Lieutenant-Commander in circumstances which appear to have left him resentful of the Government. He is said to be ready to donate his services to the Foundation as Captain of a radio ship which might, with others, be anchored in the Gulf of Mexico.

All the above items have been passed by JAGUAR to local LNERGO. Station files contain no record on any of these individuals.

2. This information results from JAGUAR's

We will, of course, continue to probe for more information in the hope of getting an insight into the Foundation's more operational correspondence, but are not optimistic about succeeding.
