MEMORANDUM FOR THE RECORD

Subject: GREENDLINGER, Martin

- 1 I discussed Subject's impending arrival to the Irvine, Cal Math Conference in Sept 69, with Don Shine of the DCS (he is now in the East West Exchange Office) Specifically I asked him A) the exact name and dates of the Conference and B) current status of Subject's processing to attend this conference.
2. Dan called me back to advise that he checked with the State Dept and found that they were not yet decided whether or not to grant Subject a visa; however if we had an ops interest they would consider it. I replied we had no special interest in him and would not want anyone to make special exceptions for Subject on our behalf. Dan also stated that the Conference in question is "Decisions, Problems and Group Theory", 21 Aug -6 Sept 69, in Irvine, Cal. Subject is not an official invitee. Dan will advise his own Hqs in case Subject gets his visa and shows up to the Conference.
