Apparently, in his confession Reinol identified *the source's car* as being used in the resistance. Source left Las Villas and went to Habana where he worked with some of the MRP chieftains.

3. Source, who was cooperative for an MRP type, said that the MRP is working in unity in Cuba with the 30 November Movement, the MRR and the Catholic groups. His only message to the outside, exile leaders is that unity exists in Cuba, do something about it on the outside. 4. Source said that the national coordinator for the MRP inside Cuba is a young man from Camaguey Province who has the nickname "Chicho". His war name is "Jose Antonio." Source said that since the flap with Reinol Gonzalez, the MRP makes it a point never to use last names. Source said that "Jose Antonio" is a sharp, brave and intelligent fellow. He is greatly aided by his advisor, Felix Fernandez Yarzabal, who has an office on Avenida 23, number 956. Fernandez formerly worked for Lopez Fresquet, and he also has a clothing store in Sagua la Grande.

5. Source said that the MRP does not have any arms. There is no regular established communications with the inside organization, but the source can write to the organization, using a simple code, by mailing the letter to Las Villas, and from there it will be carried to Habana.

6. Source said he wished to be of whatever help he can. He can be contacted at the paragraph 1 address using "amigo de Roberto" asbonafides.
