and research of John Greenewald, Jr., creator of:

The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding metal. The overall aesthetic is industrial and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.

MEMORANDUM FOR: Mr. Houston

SUBJECT: Sentencing of Bernard L. Barker,
et al.

1. I have requested ⁰³ [] Chief,
WH Operations, to take immediate action on the request of
the lawyers for Bernard L. Barker, et al., for records of
their clients' employment with the Agency.

2. I note that Schultz and Overby have requested
the Agency's complete files with respect to these defendants.
In a response to a query from Mr. [] however, I said
that I thought a fairly complete summary of the defendants'
records with the Agency would be sufficient. Is this also
your understanding? *Certainly my present thought*

3. Mr. ⁰³ [] has assured me of a prompt
response.
