Possible Opportunity [to Recruit Agent in Place in Cuba]

1. On Tuesday 20 Dec 66, I received a call from Mr. [redacted] former [redacted] the [redacted] Cuba. He is an alien but we have FBI approval to contact dated 14 Apr 61. Mr. [redacted] is the source of five reports on Cuba and we, as well as the FBI, have been in frequent contact with him.

2. He called on me primarily to tell me that his mother had arrived from Cuba and would be willing to talk to me.

3. In the course of our conversation Mr. [redacted] told me that he had a cousin still living in Cuba named [redacted] who is a [redacted] associated with [redacted] the [redacted] of Cuba and also a well-known Communist. [redacted] says that [redacted] is not a Communist and he and his family have been in contact with her.

4. Miss [redacted] who is about [redacted] years of age, was one of the group of Cuban [redacted] which recently made a tour of Europe. A group of these Cubans defected while the group was in Paris, and this received wide publicity in our newspapers. Miss [redacted] however, did not defect and continued on the tour and returned to Cuba with the group. According to Mr. [redacted] [redacted] as recently injured her [redacted] and is not now [redacted] but is working as secretary to [redacted]

5. Mr. [redacted] told me that he had planned to meet [redacted] in Paris and that she had agreed to meet him in Paris, but Mr. [redacted] did not have the money to make the trip nor did he think that he would be able to obtain the necessary visa for the trip to Paris because of his status as a Cuban refugee.

6. Mr. [redacted] says that Miss [redacted] has traveled all over the world with the Cuban [redacted] and has visited most of the Communist countries including China. He feels quite certain that the Cuban group will make another tour and that he will be advised in advance of the date and itinerary. He feels quite certain that he will be able to arrange a meeting with Miss [redacted] provided the group visits a Communist country. He claims that he has always been very close to Miss [redacted] whom he considers almost as a sister. He feels quite certain that she would be willing to help the US if she were approached in the proper manner, and he feels that the approach should be made through him because of his relationship and former closeness to her.

7. He says that he believes Miss [redacted] does not attempt to

leave Cuba because of the fact that her family is there and that she would not leave unless she could also get her family out. He believes that, despite the risk involved, she would be willing to act as an agent in place.

8. My relations with Mr. [redacted] have been very good, and I am inclined to believe what he says. However, this whole matter, of course, would have to be evaluated by the Clandestine Services.

9. There is one other matter I would like to mention in connection with Mr. [redacted] and that is that he served for two and a half months with a group of Cuban fliers in the Congo, as he holds a pilot's license. He did not tell me and I did not ask who the sponsors of this group were or what their duties were. He did, however, mention a Colonel [redacted] and a Mr. [redacted] I strongly suspect, of course, that this was an agency operation and, if so, the Clandestine Services will already have a good deal of information about Mr. [redacted]

10. I pass this on for whatever it is worth and, if there is any further information which I can provide, I shall be glad to do so.
