Chief, WHD

Acting Chief of Station, Habana

Operational

Arthur G. VAIVADA

Reference: HKH-W-2380, dated 16 October 1957

1. The Subject has no objection to submitting to an LCFLUTTER test at the convenience of Headquarters. This could be easily arranged here in the event an LCFLUTTER team is passing, or could pass, through Habana; on the other hand, VAIVADA could just as easily go to any designated place in Florida in order to take this test. It is understood that LCFLUTTER teams from time to time visit that state.

2. The Station will take such measures as are feasible to cover the activities of Subject and his wife while in Habana.

3. While the matter was not referred to in the reference, Subject's projected one-year tour of duty will end in June, 1958, at which time it is VAIVADA's desire to leave Cuba for a reassignment in another area in his present line of operational work and under similar [redacted] 4 conditions. A detailed dispatch on this subject will shortly be transmitted to Headquarters; it is referred to here so that the Headquarters desk may be alerted to the need for considering what assignments would be open to VAIVADA during the Spring or Summer of 1958.
