and Support)

C-25507

1. Reference is made to your memorandum dated 28 February 1957, wherein a provisional covert security approval and a covert security approval were requested to enable the Subject's conversion to career agent status for use as Principal Agent for Project AM [01] in Cuba, [24.]

2. In accordance with the provisions set forth in Clandestine Services Instruction No. 10-5 and Field Regulation 10-215, a provisional covert security approval is granted for the use of the Subject, as described in your request as set forth in paragraph #1, above.

3. It should be noted that the provisional covert security approval herein granted is based on limited investigative coverage and should not be in any way construed as a final security determination relative to a full covert security approval. Upon completion of additional investigation now pending, you will be appropriately advised as to our decision with regard to the issuance of a full covert security approval.

4. Subjects of provisional covert security approvals are not to represent themselves as, nor are they to be represented as, employees of CIA.

5. Your attention is called to the fact that a provisional covert security approval does not constitute complete compliance with the provisions of CIA Regulation 10-210. Therefore, if you should desire at a later date to change the status or use of this individual, a request for approval to cover any proposed change should be submitted to this office.

6. This approval becomes invalid in the event the Subject's services are not utilized within 60 days of the date of this memorandum.
